THE WILLIAMSPORT
HOSPITAL SCHOOL
OF NURSING
CLASS OF 1978

PRESENTS
THE OAK

777 RURAL AVE.

WILLIAMSPORT, PA. 17701

DEDICATION

As we, the Class of 1978, passed through our freshman year and entered our junior year, we faced the realization of the totally new experience ahead. To our surprise and benefit there was a very special woman who was also facing a new experience. That new experience was the initiation of a career as an instructor. Together, we learned and shared many experiences. She dedicated herself to increasing our nursing knowledge and skills. Through all these experiences she became more than an instructor to our class. With her we attained a personal relationship – she became our friend. In this role she always gave of herself. She listened to our problems and guided us to their solutions. Together we laughed and cried.

Today, she is a part of our lives and we are a part of hers. In return for her sincere friendship, it is with gratitude that we dedicate our yearbook to Miss Mary Ann Hubicki.

RECOGNITION

During our time of struggle as we progressed from the hope to the reality of becoming a registered nurse, we all had an opportunity to study with Mrs. Gustafson.

We, the Class of 1978, would like to thank her for the quality of instruction she gave. She expected our best and was always there to guide and constructively criticize us. Looking back over times fraught with tension, we see that in all phases of our nursing education, this woman taught at her best.

And so it is with a deep sense of appreciation that we honor her effort with a sincere thank-you and a promise that as we pursue our careers we will strive to practice nursing in a most proficient manner consistent with her investment in our learning.

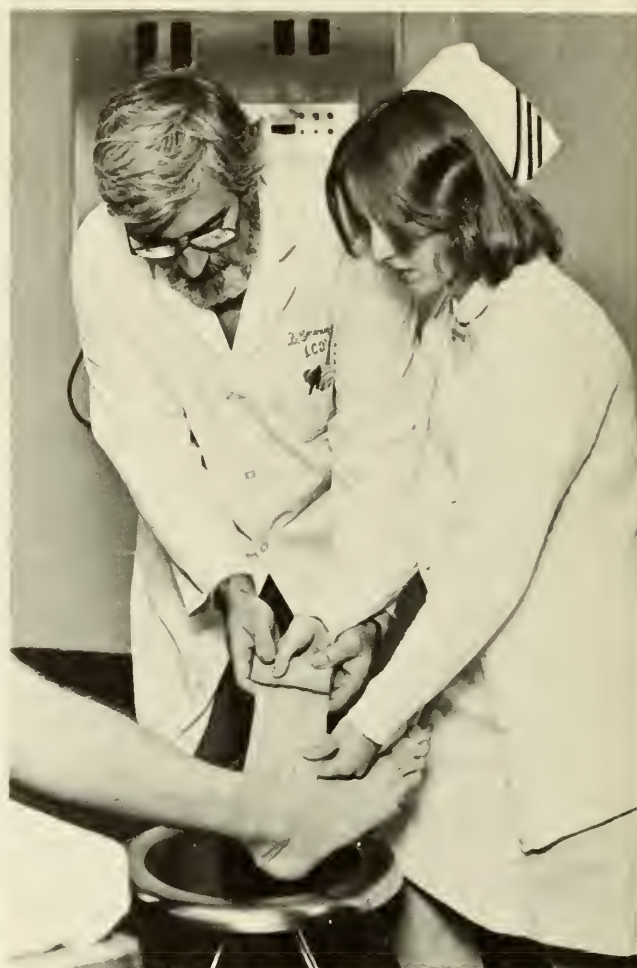

I AM ME

IN ALL THE WORLD, THERE IS NO ONE ELSE EXACTLY LIKE ME
EVERYTHING THAT COMES OUT OF ME IS AUTHENTICALLY MINE
BECAUSE I ALONE CHOSE IT — I OWN EVERYTHING ABOUT ME
MY BODY, MY FEELINGS, MY MOUTH, MY VOICE, ALL MY ACTIONS,
WHETHER THEY BE TO OTHERS OR TO MYSELF — I OWN MY FANTASIES,
MY DREAMS, MY HOPES, MY FEARS — I OWN ALL MY TRIUMPHS AND
SUCCESSES, ALL MY FAILURES AND MISTAKES — BECAUSE I OWN ALL OF
ME, I CAN BECOME INTIMATELY ACQUAINTED WITH ME — BY SO DOING
I CAN LOVE ME AND BE FRIENDLY WITH ME IN ALL MY PARTS — I KNOW
THERE ARE ASPECTS ABOUT MYSELF THAT PUZZLE ME, AND OTHER
ASPECTS THAT I DO NOT
FRIENDLY AND LOVING TO
AND HOPEFULLY LOOK FOR
AND FOR WAYS TO FIND OUT
LOOK AND SOUND, WHATEVER
I THINK AND FEEL AT A GIVEN MOMENT IN TIME IS AUTHENTICALLY
ME — IF LATER SOME PARTS OF HOW I LOOKED, SOUNDED, THOUGHT
AND FELT TURN OUT TO BE UNFITTING, I CAN DISCARD THAT WHICH IS
UNFITTING, KEEP THE REST, AND INVENT SOMETHING NEW FOR THAT
WHICH I DISCARDED — I CAN SEE, HEAR, FEEL, THINK, SAY, AND DO
I HAVE THE TOOLS TO SURVIVE, TO BE CLOSE TO OTHERS, TO BE PROD-
UCTIVE, AND TO MAKE SENSE AND ORDER OUT OF THE WORLD OF
PEOPLE AND THINGS OUTSIDE OF ME — I OWN ME, AND THEREFORE
I CAN ENGINEER ME — I AM ME AND

I AM OKAY

Virginia Satir

The wave, crashing down upon the earth is our

Let me tonight look back across the span,

Aesop

SALLY FRANZ

And a man said, Speak to us of Self-Knowledge.
And he answered, saying: Your hearts know in silence the secrets of the days and the nights.
But your ears thirst for the sound of your heart's knowledge.
You would know in words that which you have always known in thought.
You would touch with your fingers the naked body of your dreams.

And it is well you should.
The hidden well-spring of your soul must needs rise and run murmuring to the sea.
And the treasure of your infinite depths would be revealed to your eyes.
But let there be no scales to weigh your unknown treasure;
And seek not the depths of your knowledge with staff or sounding line.
For self is a sea boundless and measureless.

Say not, "I have the found truth," but rather, "I have found a truth."
Say not, "I have found the path of the soul."
Say rather, I have met the soul walking upon my path."
For the soul walks upon all paths.
The soul walks not upon a line, neither does it grow like a reed.
The soul unfolds itself, like a lotus of countless petals.
